

1966 N All That

Hilpertown Marina

£43,950.00

A 55ft 2000 SW Durham Steelcraft 6 berth cruiser stern narrowboat.

1966 'N' All That is an ex-hire boat that has been maintained and serviced as part of the CLC World Hire fleet since built in 2000. Hull blacking was carried out in 2024. This boat offers a popular reverse layout, with the dinette and galley at the stern of the boat and bedrooms at the middle and bow.

As you descend through the cruiser stern, you come to the dinette. This consists of a table and seating area, which can be conveniently converted into a double bed. There is a corner storage unit with space for a TV, and central heating radiator.

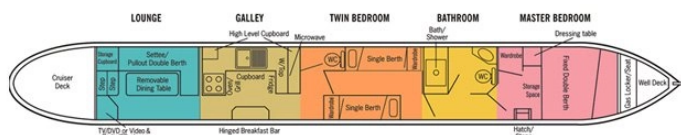

The galley is equipped with a sink unit, oven with hob and grill, under-counter fridge and plentiful storage which makes this boat fantastic for longer stays.

Following the galley is the first of 2 bathrooms, which is equipped with a pump out toilet and a wash basin. There follows a dedicated bedroom cabin which accommodates 2 single beds.

The second bathroom has a hip-bath with shower over, wash basin and a second pump out toilet.

Finally a double bedroom can be found at the bow end of the boat. There are storage drawers underneath and a full height wardrobe here, as well as steps leading to a side hatch.

1966 'N' All That offers a balanced blend of functionality and comfort, making her a great choice for exploring life afloat.
