

# Annie

Fenny Marina

£29,950

A 55ft 1991 Mike Heywood 4 berth traditional stern narrowboat.

Annie is a charming 55ft traditional stern narrowboat built in 1991 by renowned boatbuilder Mike Heywood. Full of character, she offers comfortable four-berth accommodation and has a warm, rustic interior that makes extensive use of hardwood and natural stone, creating a cosy and welcoming atmosphere throughout.

Entering from the traditional stern, you first step into the engine room. In addition to housing the boat's machinery, this practical space provides generous storage and benefits from two wardrobes, making it ideal for extended cruising or living aboard. Moving forward, the bedroom features a fixed double berth along with a chest of drawers and overhead cupboards, providing ample storage for personal belongings.

The bathroom is conveniently located midships and is fitted with a shower, wash basin and cassette toilet. Beyond this lies the open-plan galley and saloon, which is undoubtedly the heart of the boat. The combination of hardwood finishes and natural stone detailing gives this space a unique character that sets Annie apart from many boats of a similar age.

The saloon includes an L-shaped dinette with a removable solid wood table, providing an inviting space for dining, relaxing or entertaining guests. When required, this area can be converted into a second double berth, bringing the total sleeping capacity to four. A solid fuel stove adds both warmth and charm, while a wooden storage unit provides additional space.

Located in the bow of the boat, the galley is equipped with a gas cooker, portable fridge and built-in sink. Hardwood worktops complement the traditional shaker-

A prospective buyer is strongly advised to check the particulars and where appropriate to employ a qualified marine surveyor to inspect the vessel.

style cabinetry, continuing the rustic theme and creating an attractive and functional space for preparing meals aboard.

Annie would benefit from some TLC and cosmetic improvement in places, and the bow deck is an area that would particularly benefit from renewal. However, for the right buyer this represents an exciting opportunity to acquire a well-built Mike Heywood narrowboat with plenty of character and make her their own. Whether you're looking for a rewarding restoration project, a comfortable leisure boat or an affordable route into boat ownership, Annie offers a great foundation with bags of potential.
