

## Appyjack

Gayton Marina

£19,700.00

A 47ft 6ins 1990 TT Marine 2 berth traditional stern narrowboat.

Built by the well-respected TT Marine, Appyjack was issued with a new Boat Safety Certificate with no Advice Checks in September 2025, and also benefitted from a fresh hull blacking in 2024. The exterior boasts 5 solar panels and a handsome cratch cover to protect the bow deck.

Internally some refitting and renovation is needed, but there is a fully functioning galley with oven, fridge and storage cupboards, together with a working solid fuel stove in the saloon.

Entering the boat from the stern, the engine room has plentiful shelving for boater's equipment, and then a side door leads to the bedroom, which has a new double mattress and storage space to the foot of the bed.

The bathroom is currently a blank canvas but does have fitments for a hand-held shower and a porta-potti/cassette toilet, together with some tiling and a wall-mounted mirror.

The galley and saloon area are open plan with a useful side-hatch in the galley area.

Steps lead up to the double door out to the bow deck.

A perfect 'doer-upper' for the right buyer! To make an enquiry or arrange to view please contact Gayton Marina on 01604 858685.
