

Barely A Wake

Gayton Marina

£72,000.00

A 48ft 2018 Pennine Cruisers 4 berth cruiser stern narrowboat.

Barely A Wake is a well-presented 48ft cruiser stern narrowboat, built in 2018 by Pennine Cruisers. Finished in a smart grey and turquoise colour scheme with her name proudly emblazoned along the cabin sides, she has a clean, contemporary look both inside and out. She was last blacked in April 2026 and benefits from solar panels on the roof, making her a practical and efficient choice for a range of cruising or liveaboard use.

The boat is laid out in a reverse configuration, entering from the cruiser stern into a bright, open-plan galley and dinette area. The galley has a modern, streamlined feel and is well equipped with a built-in hob, oven and grill, a brand new fridge freezer, and a sink with drainer. There is generous worktop space and plenty of cupboard storage, making it a very usable kitchen whether for weekends away or longer stays.

Moving forward, the dinette offers a comfortable seating area and converts easily into a double berth when needed, giving flexible sleeping arrangements for up to four people. A multifuel stove is positioned in this space, adding warmth and character, and is complemented by central heating throughout the boat.

The bathroom is fitted with a wash basin, a hip bath with shower over, and a pump-out toilet, the tank can be accessed from both sides of the boat for convenience.

Beyond this, the bedroom provides a fixed double berth along with useful storage cupboards. Steps lead up from here to the bow deck, completing a practical and well-thought-out layout.

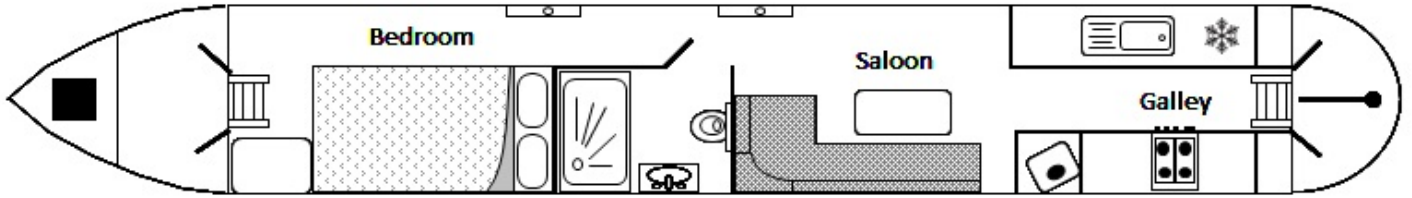

A WiFi router and TP-Link system are also installed on board, providing good onboard connectivity.

Overall, Barely A Wake is a wonderful, modern narrowboat that offers a good balance of comfort and usability. To arrange a viewing or for any further information please contact Gayton Marina on 01604 858685.
