A 57ft 2005 Stenson Boat Builders 4 berth semi-traditional stern narrowboat

Belle is a well-presented semi- traditional stern narrowboat offering comfortable accommodation and a practical, thoughtfully designed layout. With bright, welcoming interiors, Belle would make an excellent leisure boat or floating retreat.

Entering the boat from the stern, steps lead down into the aft bedroom. This cosy cabin is fitted with a fixed double berth and benefits from generous wardrobe space, overhead storage lockers and attractive porthole windows.

Moving forward, the spacious walk-through bathroom is equipped with a cassette toilet, wash basin set within a vanity unit, mirrored storage cabinet and a large shower. A washing machine is neatly incorporated beneath the worktop, providing a practical addition for longer periods aboard.

The galley is well equipped with a full-size cooker, stainless-steel sink and drainer, extensive worktop space and ample cupboard storage.

Forward of the galley is the bright and welcoming saloon. A solid fuel stove provides warmth and character, creating a cosy focal point for the cabin during cooler months. Comfortable seating and a dinette offer space for dining, entertaining and relaxing, while large windows allow plenty of natural light to fill the interior. Additional shelving and storage units enhance the practicality of the living space.

Finished in light timber throughout, Belle has a warm and inviting atmosphere that complements her traditional styling. Offering comfortable accommodation,
