

Berry

Gailey Wharf

£37,950.00

A 42ft 6ins 2006 JD Boat Services 4 berth cruiser stern narrowboat.

Painted in Royal Blue and perfectly sized for navigating the extensive UK canal network, Berry offers a traditional layout that would be suitable for short breaks or longer cruising.

Entering from the stern, you'll find a bedroom cabin which has a convertible bed offering a choice of 2 single berths or a permanent double berth. Under bed storage and a wardrobe are provided. Next along is a private enclosed bathroom fitted with a hip bath, wash basin and a water flushed toilet.

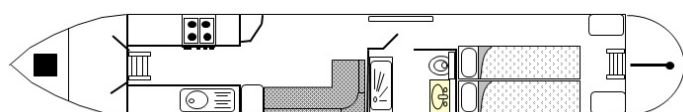

The saloon provides an area to relax and for meals. The dining table can be stored against the hull sides and is mounted on removable legs, making it possible to convert it to provide a double bed for guests.

At the bow there is a fully fitted kitchen with a 4-burner cooker with split level hob, oven and grill, 12v electric refrigerator, stainless steel sink and drainer, cupboard storage units, laminated work surfaces and ceramic water filter tap.

The boat has panel radiators throughout which are heated by a diesel fired Eberspacher central heating boiler.

Berry features brass fittings throughout and is a tidy, functional boat ideal for exploring the waterways. Whether you're experienced or new to boating, it's a good choice for a peaceful trip.

If you're interested in owning a straightforward, practical vessel, Berry could be a good fit. For more information
