

Big Al

Hilperton Marina

£57,000.00

A 57ft 2004 Jonathan Wilson 2 berth traditional stern narrowboat.

Big Al is ready for those summer adventures on the Kennet and Avon Canal.

Standing at the tiller of Big Al you will find two perch stalls and the Boatman's Cabin.

This then leads you to the first cabin which has a double bed, a built in wardrobe with some shelves and a rail. There are two port holes to let in the natural light.

Walking through the boat you will find a white tiled bathroom which has a cassette toilet, a modern rectangle sink and a hip bath with a shower head and curtain.

Next you will find the Galley area which is presented with a unique design to maximise work surface space. There is a round sink, a inset sink unit, a 4 burner gas stove with a grill and oven and a full sized fridge.

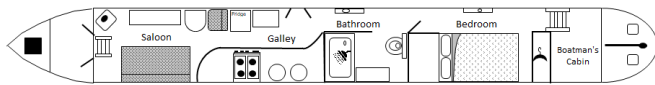

Before you enter the saloon area you will find a small table with a built in cushioned seat.

The saloon area has a 2 seater sofa and a multi fuel stove in the corner.

The interior is very well presented and ready for those personal touches.

Big Al has a Boat Safety Certificate, Valid until March 2026
