A 57ft 2008 Liverpool Boats 2 berth semi-traditional stern narrowboat.

A characterful semi-traditional stern narrowboat, having been in the possession of the current owner since first built in 2008. Good use is made of her internal space and this boat would be equally ideal for holidays afloat or as a liveaboard vessel.

Stepping aboard from the spacious stern, you are welcomed into a useful storage and utility area, with a very handy washing machine already plumbed in.

Moving forward, you enter the fixed double bedroom. This benefits from useful overhead storage cupboards, making excellent use of the available space, while a privacy curtain surrounds the bed to create a cosy and secluded sleeping area.

The bathroom is conveniently located next and is fitted with a shower over a bath tub. There is also a pump-out toilet, newly fitted in 2026.

The galley is well equipped with everything needed for life on the water. It features a built-in oven, a separate four-burner hob, a fridge, a sink, and a microwave. There is ample cupboard space for storing cookware and provisions, while hooks above the hob provide additional hanging storage for pots and pans, keeping everything within easy reach.

At the bow of the boat, the generously-size saloon offers a place to relax. The room is furnished with two comfortable chairs and a solid-fuel stove. A variety of cupboards provide excellent storage, while shelving on either side of the bow doors offers the perfect place for books, ornaments, or personal touches. With four large windows allowing plenty of natural light to flood the
