

Boomerang

Aldermaston
Wharf

£7,950

A 30ft c1986 Springer narrowboat.

A small but practical narrow boat with the distinctive shape of a Springer cruiser stern. Boomerang has already been stripped out ready for refurbishment, but there is a porta potti on board and a large solar panel on the roof. The hull was over-plated in 2020.

In essence a cheerful-looking little vessel to get you afloat with the perfect opportunity for a personalized fit-out.
