Boomerang

Aldermaston Wharf

£7,999

A 30ft 1986 Springer cruiser stern narrowboat.

With the distinctive square cruiser stern of a Springer narrowboat, Boomerang presents an opportunity to design and fit your own interior to create a beautifully cosy little floating home.

The exterior is painted in a tasteful green and cream livery and there is a solar panel fitted to the roof. The hull was over-plated in 2020.

Inside, some work has already been carried out, including fitting of a solid fuel stove and a sink unit. There is a porta-potti under the sink which can be moved into a separate bathroom compartment as part of a refurbishment. Of particular note is the handsome solid wood ceiling panelling running the entire length of the boat.

In essence a cheerful-looking little vessel to get you afloat with the perfect opportunity for a personalized fit-out.
