Springwood Haven Marina

£42,950.00

A 48ft 2006 Alvechurch Boat Centres 4 berth cruiser stern narrowboat.

Meet Bryn, a 48ft cruiser stern narrowboat thoughtfully designed for a couple or small family seeking life on the water. Her layout is both practical and welcoming, beginning at the stern with a cosy bedroom featuring a fixed double bed and a built-in storage cupboard. Just beyond, the bathroom offers a shower, wash basin, and toilet, providing all the essentials in a compact space.

The galley is well-equipped with an integrated gas hob, oven and grill, an undercounter fridge, and a stainless steel sink with drainer. There's a generous amount of worktop space, plenty of under-counter storage, and a tall larder cupboard to keep everything neatly organised.

At the bow, the saloon offers a versatile living area with a dinette that converts into a double bed when needed, along with a fold-down seat that can be used as a single berth. Whether you're cruising the canals or settling in for a quiet evening, Bryn offers comfort, functionality, and a warm sense of home.
