Buru Island

Worcester Marina

£59,950.00

A 58ft 2009 ABC Leisure Group 6 berth cruiser stern narrowboat. Available October 2025.

Buru Island has spent many happy years providing unforgettable holiday experiences and is now available for private ownership. Built in 2009, this 58ft cruiser stern narrowboat offers a flexible and spacious interior layout, making her ideal for couples, families, or anyone seeking a life afloat. In early 2025, she underwent a full engine service, and a new Boat Safety Certificate was issued, valid until March 2029.

Entering from the cruiser stern, you'll find a comfortable saloon and dinette area where the L-shaped sofa can be converted into a double berth, with a removable dining table and entertainment system including a radio/CD player, colour TV, and DVD player.

The galley is fully fitted with a four-burner gas cooker, grill, oven, microwave, fridge, and sink with drainer, along with plenty of storage space.

A separate WC features a pump-out toilet and wash basin, followed by a mid-cabin that can be configured as either a double bed or two singles, with a wardrobe for storage. The main bathroom includes a hip bath with a shower over, a second electronically operated pump-out toilet, and a wash basin.

At the front of the boat is a fixed double bedroom with another wardrobe and access to the bow deck. Central heating runs throughout the boat, ensuring comfort in all seasons.

Buru Island is currently moored at the well-connected Worcester Marina, and viewings can be arranged around ongoing hire periods. For further information or

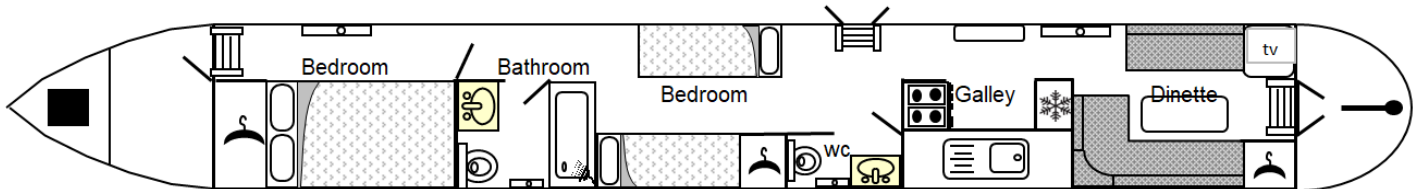

to arrange a viewing, please get in touch on 01905 734 160. Your canal cruising adventure starts here.
