

Celtic Fern

Nantwich Canal Centre £32,000

A 59ft 1997 Jonathon Wilson 5 berth traditional stern narrowboat.

Celtic Fern is a charming traditional stern narrowboat, offering comfortable and practical accommodation with a good balance of traditional character and homely touches.

Stepping through from the boatman's cabin into the first bedroom, you will find two fixed single beds. These can easily be converted into a large double bed by sliding the bed frames together. There is also useful storage space beneath the beds, along with porthole windows allowing natural light into the cabin.

Moving further along the boat, you will find the bathroom, which is thoughtfully equipped with everything you need. This includes a cassette toilet, a corner vanity unit with built-in sink, a radiator and a white-tiled hip bath with shower and shower curtain.

Next is the second bedroom, a light and airy double cabin. Two windows with curtains allow plenty of natural light to flow in, while a built-in wardrobe at the foot of the bed provides convenient storage for clothing and personal belongings.

Walking through into the galley, you will find a well-equipped kitchen with everything you practically need. Features include an under-counter fridge, generous work surfaces for food preparation, a built-in sink and a four-burner hob with cooker. There is also plenty of cupboard and storage space for groceries and kitchen essentials.

The galley flows seamlessly into the open-plan saloon, creating a warm and inviting living space. At its heart is a traditional solid-fuel stove, perfect for adding warmth
