

Chloe

Anderton Marina

£43,950.00

A 57ft 1994 Pickwell & Arnold 6 berth traditional stern narrowboat.

Chloe is a well presented narrowboat whose flexible bedding layout makes her perfect for couples and families. Chloe has a front deck instead of well Deck and a side mounted rear cabin engine, allowing for easy access to cabin from rear.

The stern cabin has fixed bunk beds and storage cupboards. The bathroom is fitted with a wash basin, cassette toilet and a curtained shower cubical.

A good sized galley follows which is equipped with an oven & grill, separate integrated hob and a sink and drainer. There is also plenty of work surface space and storage cupboards. The side hatch located here is ideal for extra ventilation.

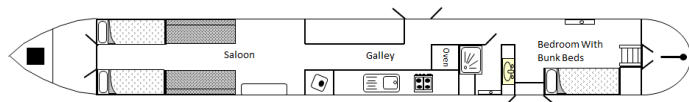

Next is the saloon with sofa style seating that can be converted into a double bed when required. There is also a further seating area that can also be used as a double or 2 single beds. A solid fuel Morso Squirrel stove heats this area.

Chloe has a Boat Safety Certificate, valid until July 2026.

To arrange a viewing, or for more information, please contact Anderton Marina on 01606 79642.
