Anderton Marina

£45,995.00

A 57ft 2004 MMR Fabrications Ltd 4 berth cruiser stern narrowboat.

Step aboard Chrissie, a beautifully presented narrowboat with a striking navy exterior, tastefully accented with cream and red detailing. This well presented vessel offers a warm and welcoming interior layout, perfect for both leisurely cruising and extended stays on the water.

Entering from the stern, you're greeted by a compact boatman's cabin and the helm controls, neatly arranged for ease of use. Just two steps down leads you into the cosy bedroom, thoughtfully designed with built-in shelving, a wardrobe, and generous storage beneath the bed—ideal for keeping your belongings neatly tucked away.

Moving forward, you'll find the bathroom, which features a practical and stylish combination of a shower, sink, and toilet. Surrounded by oak finishes and ample shelving, this space blends functionality with a touch of rustic charm.

Next, the galley opens up into a bright and airy dinette area, flanked by large windows on either side that flood the space with natural light. It's the perfect spot to enjoy a morning coffee or a relaxed meal while taking in the views. The galley itself is well-equipped with a cooker and stove to the right, a sink, and an under-counter fridge. There's plenty of worktop space for preparing meals or entertaining guests, and a side hatch adds a delightful touch—inviting in the fresh air and sunshine on warm summer mornings.

At the front of the boat, the saloon offers a comfortable retreat with ample storage and seating. This leads out onto the well deck, which provides additional seating

and is protected by a cratch cover, making it a versatile space to enjoy the outdoors in any weather.

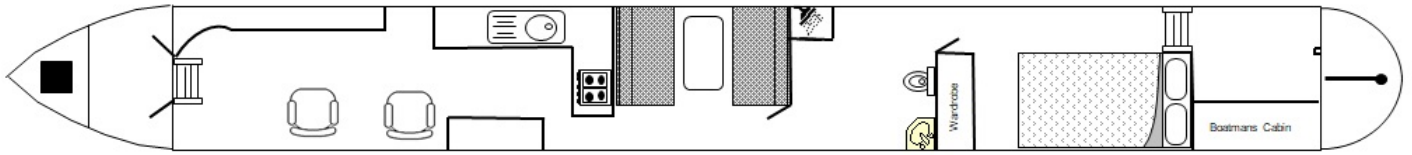

Chrissie is a narrowboat that combines thoughtful design with practical features, offering a comfortable and stylish way to explore the waterways. Whether you're a first-time buyer or a seasoned boater, she's ready to welcome you aboard.
