Christina

Blackwater Meadow Marina

£43,950.00

A 55ft 2000 Southwest Durham Steelcraft 6 berth cruiser stern narrowboat.

Previously part of the CLC hire fleet, Christina was designed with the highly sought-after reverse layout and offers a well-thought-out and spacious interior.

Entry is through the stern steps, leading directly into a comfortable dinette area that sets the tone for relaxed living aboard. The dinette can also be made up as a double berth, perfect for guests. The well appointed galley follows, equipped with a fridge, oven, and stove—ideal for preparing meals on the move.

Continuing forward, a handy toilet is followed by a twin single berth cabin, followed by the main bathroom, fitted with a second toilet, wash basin and a hip bath with a shower. At the bow lies the master bedroom, complete with cupboard storage and a cross boat large double bed. There is also a side hatch that allows for extra light and ventilation, as well as a pleasant view of the surroundings.

Christina blends practicality with comfort, making her a welcoming choice for both short breaks and longer stays on the water.
