

Common Kestrel

Gailey Wharf £56,950

A 50ft 2014 JD Boat Services 4 berth cruiser stern narrowboat.

At 50ft this ex-hire boat is a great size for navigating most waterways. The adaptable layout makes her versatile to suit a mixed crew up to 4 people.

Entering from the stern is the dinette cabin. This conveniently converts into either a double berth or 2 singles.

The central galley is fully equipped with sink/drainer, fridge, gas hob/oven. There are 230V sockets for added appliances and storage by way of under counter units.

As you proceed through the boat, there is a bathroom on the left. This is complete with a vanity unit with inset basin and mirror above, shaver/light, hip bath with a shower over and pump out WC.

The bedroom at the bow of the boat can again be either set up as a double or 2 singles berths. Steps lead to double doors opening onto the bow of the boat.

Common Kestrel will be available mid-end October 2026. Viewings will be arranged around hire periods and turnaround times.
