A 70ft 2004 Barry Hawkins 7 berth semi traditional stern narrowboat.

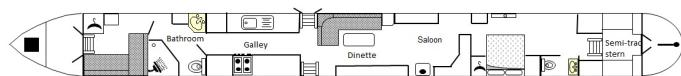

Corrigair is a beautifully appointed 70ft semi-traditional stern narrowboat, thoughtfully designed to offer comfort, flexibility, and style for life on the water. From the moment you step aboard, you'll appreciate the clever use of space and the inviting atmosphere that makes Corrigair a perfect choice for both leisure cruising and extended stays.

To enhance manoeuvrability, Corrigair is fitted with a VETUS 55KGT bow thruster, offering excellent control when navigating tight spaces or mooring.
