## Daphne and the Dragonfly

Anderton Marina

£61,000.00

A 65ft 2007 Halls Of Cheshire 6 berth semi traditional stern narrowboat.

Daphne and the Dragonfly is a charming 65ft narrowboat built in 2007 by the renowned Halls of Cheshire. Her elegant deep green and black livery is complemented by whimsical artwork proudly displayed around her name, giving her a delightful personality that turns heads wherever she goes. Practicality meets comfort with a full pram hood cover at the stern and a cratch cover at the bow, making her suitable for all-weather cruising.

Stepping aboard through the semi-traditional stern, you're welcomed into the first bedroom featuring a comfortable double bed and cupboard storage. The adjacent bathroom is well-appointed, boasting a shower cubicle, a corner wash basin, and a macerator toilet. Moving forward, a second bedroom offers another double bed with generous storage underneath and in overhead cupboards.

The galley is fully equipped for onboard living, with a built-in oven and fridge, a separate hob, a washing machine, and a sink with drainer. Shelving and cupboard space are plentiful, ensuring all essentials have their place. An L-shaped dinette follows, which can be converted into a double berth if needed—ideal for visiting guests. Finally, the saloon invites relaxation with a cosy sofa and a multifuel stove, perfect for winding down after a day on the water.

Daphne and the Dragonfly blends character, comfort, and practicality in a way that makes her an inviting live aboard or leisure vessel.
