

Dascom Diamond

Alvechurch Marina

£37,000.00

A 50ft 1994 Colecraft 4 berth cruiser stern narrowboat.

Dascom Diamond is a charming narrowboat presented in a black and white exterior colour scheme and featuring 2 solar panels on the roof. Blacked in February 2026, she is ready to cruise.

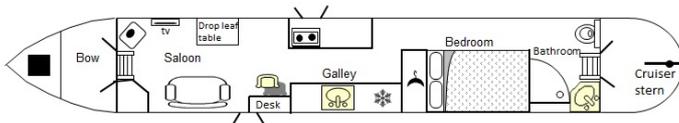

Stepping aboard via the spacious cruiser stern—complete with a practical pram hood for added weather protection—you enter through the rear doors into the bathroom. This well-designed space features a toilet, a corner shower, and a basin, providing everything you need in a neatly arranged layout.

Moving forward, you'll find the cosy bedroom fitted with a double bed. The cabin also benefits from copious storage shelves and drawers, helping keep the space tidy and uncluttered.

Beyond the bedroom lies the galley, which is impressively equipped with plenty of storage space. It includes a two-ring hob, an oven, and a classic Belfast sink, paired with generous worktop space perfect for preparing meals aboard. A side hatch and window bring in plenty of natural light, creating a bright and welcoming cooking environment.

Adjacent to the galley is a built-in desk—an ideal spot for working from home, creative projects, or keeping in touch with family and friends while afloat.

The galley flows seamlessly into the open-plan saloon, where you'll find a comfortable living area with a large sofa which can be converted to provide a second double bed for guests, if needed. A solid fuel stove is situated in the corner, perfect for cosy evenings. Another side hatch brings in additional fresh air and daylight, while a corner cupboard offers practical storage for your belongings.
