

Day Lark

Gayton Marina

£15,950

A 30ft 1989 Dartline semi-traditional stern narrowboat. Not available until mid to late September 2024.

Having spent many years as a trusty day hire boat on the Grand Union Canal, Day Lark is now available to purchase. A new engine was installed in 2023 and the boat was freshly blacked in November 2022.

The stern has a single bench seat and two perching stools for the skipper and a single side door leads to the interior of the boat.

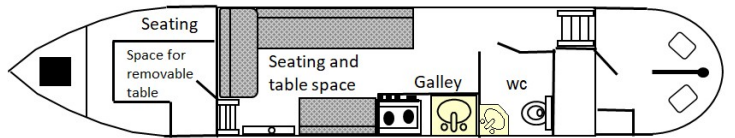

Once inside, there is a bathroom with wc and washbasin to the left, before the space opens out into a large saloon/kitchenette area.

The kitchenette has a 2 burner gas hob and sink, and there is then plentiful sofa seating with fittings for a removable table (also supplied with the sale).

A stable-type door gives access to a large bow deck with more seating and table space, and the roof extends halfway along so that you can either sit in the shade or the sun, whichever you prefer!
