

Dove

Blackwater Meadow Marina

£44,950.00

A 50ft 1997 Evans & Son 2 berth traditional stern narrowboat.

A traditionally-designed narrowboat of a perfect size for navigating the length and breadth of the UK canal network, Dove comes equipped with a valid BSS certificate and was freshly blacked in 2024.

The traditional stern has a boatman's cabin section for ropes and all manner of boating paraphernalia and then leads through to a double bedroom with wardrobe and cupboard space.

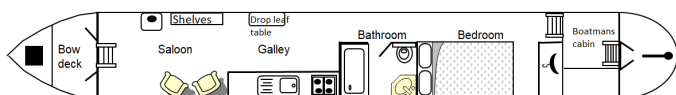

The large bathroom is tastefully designed with white tiles, a bath with overhead shower, a washbasin with storage below and a cassette toilet.

The galley has an integral oven and hob, an inset sink and draining board, and tiled worktops and splashbacks. There is ample storage in wooden under-counter cupboards, and a drop-leaf table also features.

Finally the saloon has 2 easy chairs, shelves and storage space, and a solid fuel stove for the colder months. Steps lead up to the bow deck, which is protected by an 'A' frame and cratch cover.

A smashing boat, ready to move into.
