Duckula

Blackwater Meadow Marina

£20,000.00

A 37ft 1992 Conmac Boats 3 berth cruiser stern narrowboat.

A well proportioned, traditionally designed Conmac narrowboat, which would suit a purchaser looking for a 'ready to cruise' vessel with plenty of scope for refurbishment to their personal taste. Duckula was blacked in 2022 and fitted with a new engine in 2019.

A framed pram cover to stern with the addition of zips allows for easy access to the back of the boat & protection from the elements as well as valuable additional dry storage space.

Steps lead into a rear cabin with 2 bunks fitted singly either side but can convert to a double. A u-shaped settee can also be created. A Torgren solid fuel stove sits midway through the saloon to provide heat radiating through the boat.

A corridor leads to the re-fitted bathroom with wash handbasin, storage cupboards, cassette toilet and shower cubicle with bi-fold doors.

The galley is at the front of the boat with under-counter fridge, Flavel Vanessa stove, sink and drainer, worktop space, and storage cupboards above and below. There is a further single bed/seating here if needed. Double wooden doors lead to a cratch covered well deck providing further storage.

For enquiries or to arrange to view, please contact Blackwater Meadow Marina on 01691 624391.
