

Dusty

Hilperton Marina

£35,000.00

A 35ft 1985 Delph Marine 2 berth cruiser stern narrowboat.

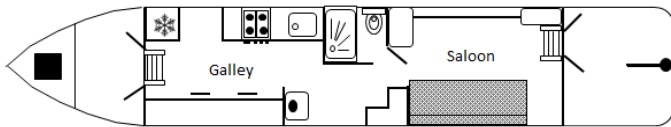

This cute and compact narrowboat is perfect for navigating the twists and turns of the stunning waterways. Dusty was blacked last year and has a Boat Safety Certificate, valid until September 2025.

Entering from the large cruiser stern, steps lead you down into the saloon. The large sofa converts into a double bed. This room also has various storage cupboards.

The bathroom follows this. Sectioned off from the living space by a clever folding door, this room is fitted with an Porta Potti cassette toilet and a smartly tiled shower cubicle. Opposite the bathroom there is a multi fuel stove. With its location being central in the boat, the heat will radiate throughout.

The last area is the galley. This area has a gorgeous stone floor and is equipped with a sink, fridge and a freestanding gas cooker. Along one side is a lovely wooden breakfast bar with stools.

This little boat packs a big punch! To arrange a viewing or for more information, please contact Hilperton Marina on 01225 765243.
