

Echo

Goytre Wharf

A 22ft 1978 Norman 3 berth GRP Motor Cruiser.

Echo is a beautifully presented little motor cruiser, ideal for long days and short breaks afloat.

Entering from the rear, you step into the cockpit with a long bench seat across the rear and access to the outboard motor. On the port side there is the control panel, switching and wheel. The whole stern area is covered with a pram cover, offering full protection from the elements.

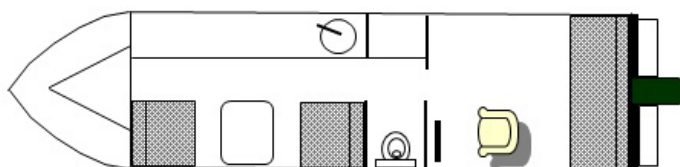

Steps take you through doors into the saloon/galley area, with private toilet room immediately to the port side.

Next is a recently re-upholstered single dinette with seating and table, and the galley with sink and under counter storage on the starboard. This leads to a lovely upholstered bow area that can be used as seating for 4 people or a double berth.

The flooring has recently been replaced with marine ply, which lifts up for inspection purposes.

If you are in the market for a great little motor cruiser, look no further! To enquire or arrange to view, please contact Goytre Wharf on 01873 880516.
