A 64ft 1996 Stephen Goldsbrough Boats 8 berth cruiser stern narrowboat.

This eye-catching narrowboat features a classic navy blue exterior with refined gold trim, offering timeless style and standout presence on the water. Large saloon windows provide sweeping views and flood the interior with natural light, making this vessel ideal for both cruising and relaxing moored up.

Entering from the stern, you're welcomed into a twin bedroom with two single beds, dressed in a tasteful navy and cream colour scheme. Porthole windows add charm and privacy, while oak plywood detailing on the doors and cabinetry adds warmth and continuity throughout the boat.

Next, you'll find a compact shower room with the toilet opposite, cleverly enclosed by opposing doors to form a private bathroom compartment.

Continuing forward, you enter the first of two double bedrooms, each featuring a wardrobe and continuing the elegant navy and cream palette. The oak ply finish flows seamlessly across walls, doors, and built-in furniture, creating a cohesive and inviting atmosphere.

The second double bedroom mirrors the first, with porthole windows and a wardrobe, offering comfortable accommodation for guests or family.

The next space is a full bathroom, complete with a vanity unit, wash basin, toilet, and a bath with overhead shower.

Moving into the heart of the boat, the fully equipped galley includes an oven, sink, fridge, counter space, and

overhead cupboards, making meal preparation a pleasure whether you're moored or cruising.

Finally, the saloon offers two long bench seats that double as single beds, creating an extra bedroom. This area transforms into a dining space with a removable table, perfect for socialising or enjoying meals with a view through the large windows.

Elegance has a Boat Safety Certificate, valid until August 2028.
