A 40ft 1980 Constantine & McCrave 4 berth cruiser stern narrowboat

Elizabeth Sara is a 40ft cruiser stern narrowboat, based on the Shropshire Union Canal. This compact, yet well equipped boat offers a great opportunity for the next owner to update and personalise the space to their own style.

The exterior is painted in a rich, bold navy with red accents. There are also pram sides to the stern and a cratch cover at the bow.

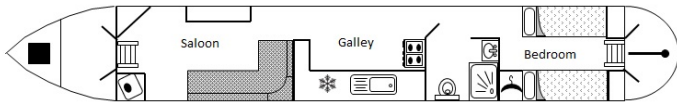

Entering from the stern, you'll find a bedroom with two single beds. There is also cupboard storage at the foot of each bed and a wardrobe at the head of the left hand bed. This is followed by a white tiled shower room equipped with a Porta Potti, shower and basin.

The galley includes a boiler, sink with drainer, a cooker with a 4-burner hob and grill and a fridge. There is also storage space in the form of undercounter cupboards.

At the front of the boat, the saloon features a sofa for lounging and a solid fuel stove for those colder evenings. The L shaped sofa can be converted into a double berth when required. There is a corner unit which would be ideal for a TV and another unit for extra storage. The interior is fitted with carpet and features pine board furnishings throughout.

A Boat Safety Certificate is valid until August 2029.
