A 23ft 1972 Freemans 4 Berth GRP Motor Cruiser.

This 23ft Motor GRP cruiser, built in 1972, offers a classic layout with surprising space and practicality throughout. Stepping aboard, you enter onto the open deck area where a positioned captain's chair provides a comfortable helm position with a clear view ahead. This welcoming entrance sets the tone for a craft designed with relaxed cruising in mind.

Descending the steps takes you into the main galley and living space, arranged to maximise comfort and usability. To the left, a well-proportioned dinette provides seating for mealtimes or socialising, with additional seating nearby for relaxing or accommodating extra guests. Storage cupboards are thoughtfully placed to keep essentials neatly organised during longer stays onboard. To the right of the galley area you'll find a compact cooking space fitted with a two-hob cooker—ideal for preparing meals while enjoying life on the water.

At the centre of the boat, enclosed neatly between the two cabin areas, is a private toilet compartment, discreetly housed within a cupboard for convenience without sacrificing space. Moving forward brings you into the main cabin, laid out as a comfortable sleeping area that completes the four-berth accommodation. This cosy bow cabin offers a peaceful place to unwind at the end of the day.

Overall, this vintage cruiser provides a charming layout and practical living facilities—perfect for anyone seeking an affordable entry into boating or a leisurely escape on the inland waterways.
