

Ellen Gee

Alvechurch Marina

£20,000.00

A 70ft 1980s Brummagen Boats 8 berth traditional stern narrowboat.

Ellen Gee is a practical traditional stern narrowboat designed for easy cruising, generous living, and memorable moments with family and friends.

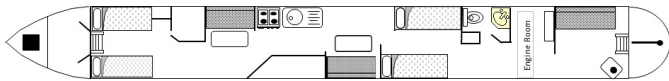

Stepping in from the stern, you enter the first bedroom, which features a flexible arrangement with either a temporary double or single bed. This cabin also benefits from a solid fuel stove and two portholes, allowing for warmth and natural light.

Moving forward, you'll find the engine room, complete with two adjacent hatches providing convenient access and adding to the boat's traditional character. Beyond this is a bathroom fitted with a pump-out toilet and a wash basin.

Continuing through, there is a second bedroom with two fixed single beds, making it ideal for guests or family members. The layout then opens into the first dinette area, where comfortable sofa seating can be converted into a temporary single berth.

The galley follows, well-equipped for onboard living, featuring a cooker with a four-burner hob, a sink with drainer, generous work surfaces, and ample storage for groceries and essentials.

Further along is a second dinette area, which can also be converted into a single bed. This flexible arrangement makes Ellen Gee particularly well-suited for entertaining, with space to host up to eight people comfortably.
