

Ellie Jo

Hilpertown Marina

£67,500.00

A 52ft 2011 Collingwood Boatbuilders 4 berth cruiser stern widebeam boat.

A fine example of a high-quality and exceptionally spacious wide beam boat, equally suitable as a holiday home or live-aboard.

The roof and gunwales on Ellie Jo were freshly painted in July 2025, and this beautiful boat was blacked in 2024 and comes with an up-to-date Boat Safety Certificate, valid until 2027.

The large cruiser stern is protected by a pram hood cover, and central steps lead down straight into the galley area, which boasts sleek black granite-effect work surfaces, a built-in oven, hob and sink unit, and a side hatch for extra ventilation.

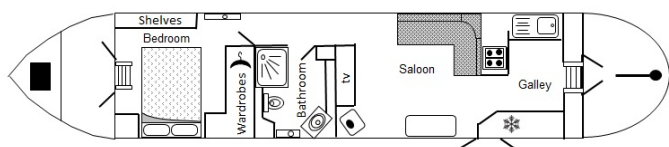

Solid oak flooring features throughout, and is most evident in the large saloon, which currently houses an 'L' shaped dinette sofa/bed, drop-leaf dining table and chairs, a solid fuel stove, and an attractive sideboard providing shelving, cupboard space, and housing for the tv.

The bathroom is well equipped with a built-in shower cubicle, toilet, washbasin, central heating radiator and plenty of storage space.

Finally, the bow cabin is a lovely welcoming space fully fitted with double bed, full-height wardrobes, shelves, central heating radiator, and a wall-mounted tv. Double doors open onto the bow deck.

This boat has clearly been much-loved and is now waiting for a new owner to take her out on the waterways.
