## Emancipation

Springwood Haven Marina

£57,000.00

A 45ft 2012 Paul Widdowson 4 berth cruiser stern narrowboat.

Meet Emancipation, a striking 2012 narrowboat built by Paul Widdowson, painted in a vivacious red that turns heads wherever she moors. With a black cratch cover over the bow deck and a pram hood sheltering the stern, she's as practical as she is eye-catching.

From the stern, you're welcomed into a beautifully light and airy open-plan galley and saloon. The galley is stylishly designed with sleek black worktops, cream cabinetry, and all the essentials—including a freestanding cooker, undercounter fridge, and stainless steel sink with drainer.

The galley flows seamlessly into the saloon, where an L-shaped dinette invites relaxed dining and conversation. The attractive table converts easily into a double berth, making this space both sociable and versatile. A solid fuel stove with a smart hexagon tiled surround adds warmth and character, perfect for cosy evenings aboard.

Continuing through the boat, the walk-through bathroom offers a touch of luxury with its roomy corner glass shower cubicle, cassette toilet, and vanity unit.

At the bow, the bedroom provides a peaceful retreat, complete with a double bed, drawer unit, and wardrobe. Double doors open out onto the bow deck, letting in natural light and offering a lovely view of the water.

Throughout the interior, light wood panelling creates a harmonious blend of cosiness and spaciousness, making Emancipation feel like home from the moment you step inside.
