Escape

Aldermaston Wharf

£44,950.00

A 32ft 2005 Sea Otter 4 berth aluminium motor cruiser.

A stunning example of the renowned 'Sea Otter' marine-grade aluminium boats, known for their extreme resistance to corrosion and ability to navigate the whole of the UK canal system. This boat has more than a touch of class, from her handsome beech interior woodwork to her streamlined shape.

A central cockpit contains a classic skippers' wheel in an elevated position for good visibility.

Stepping down into the forward cabin, there is a well-equipped galley area to the left with full-sized oven, sink and draining board, and under-counter fridge, as well as plenty of cupboards and storage space. This is followed by a sumptuous cushioned seating area, which can convert to provide a double bed for guests. A wall mounted tv features on the right.

Behind the cockpit you'll find some lovely private facilities including a wetroom with shower, wc and washbasin. This is followed by a fixed double berth.

Escape holds a current Boat Safety Certificate valid until 2029 and also benefits from an electric bow thruster and solar panel.

To make an enquiry or arrange to view, please contact Aldermaston Wharf on 01189 714123.
