A 57ft 2024 Victory Narrowboats 6 berth semi-traditional stern narrowboat

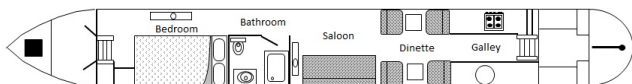

Introducing Felicity, a stunning 57ft semi-traditional stern narrowboat, only one year old and presented in immaculate condition. Her eye-catching aqua blue exterior, accented with varying shades of grey and blue, gives her a modern and distinctive look that stands out on the water.

At the stern, you'll find a comfortable semi-trad seating area – perfect for relaxing while cruising – with a cratch cover included to keep you sheltered in changing weather conditions. Step inside and you're welcomed by a bright, open-plan interior with fresh blue and white panelling that gives a clean, airy feel throughout.

The galley is both practical and stylish, featuring a round sink, oven, hob, and generous storage for groceries and kitchenware. There's also open shelving for your everyday essentials or condiments, and space to install an under-counter fridge. Moving forward, the dinette area offers two adjacent seating booths that comfortably seat four and convert into two single beds when needed – ideal for guests or children.

The saloon is furnished with a yellow and grey chequered sofa that converts into a double bed. A wall-mounted TV on a bracket provides entertainment, and a radiator keeps the space cosy during cooler evenings. Every detail of this interior has been thoughtfully designed to combine comfort, practicality, and modern aesthetics.

Continuing into the bathroom, you'll find the same fresh, modern styling. It features a toilet, a full-size bath with a shower head and easy-to-use controls, all beautifully panelled with a stone-effect finish for a touch of luxury.
