

Freedom

Anderton Marina

£28,950.00

A 40ft 1988 4 berth cruiser stern narrowboat

Freedom is a colourful, characterful narrowboat, full of personality and designed for practical, comfortable life on the waterways.

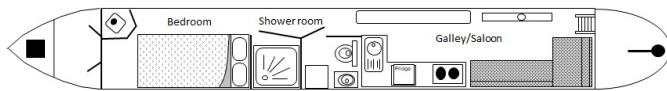

Step aboard into the welcoming saloon, featuring built-in bench seating with useful storage beneath. The seating easily converts into a temporary double berth, and a fitted radiator keeps the space cosy year-round. The open-plan layout leads smoothly into the galley, where a long sideboard provides excellent worktop space and ample cupboard storage. The galley is well equipped with a 2-burner hob, fridge, sink with drainer, and additional storage for groceries and cookware.

Moving along the corridor, the first door opens into the toilet room, fitted with a composting toilet, wash basin, and a handy unit for toiletries. Beyond this, a glazed door leads to the shower room, complete with a stylish white-and-grey tiled shower set slightly raised from the floor.

At the end of the boat is the bedroom cabin, boasting a comfortable double bed and a raised corner stove. A door from the cabin takes you out onto the bow, which, along with the stern, benefits from a protective cratch cover.

Freedom comes with a Boat Safety Certificate valid until October 2027.

To arrange a viewing or for further information, please contact Anderton Marina on 01606 79642.

Overall length	40 feet
