A 45ft 1983 Harbour Marine 2 berth cruiser stern narrowboat.

Gallifrey is a charming 45ft cruiser stern narrowboat built in 1983, offering a popular reverse layout that makes the most of its living space.

Entering from the stern, you step straight into a well-appointed galley with a stainless steel sink, gas hob and oven, undercounter fridge, generous worktop space, and plenty of storage in the under-counter cupboards—ideal for anyone who enjoys cooking aboard.

Moving forward, the saloon provides a warm and inviting living area, heated by a multi-fuel stove. It's furnished with a two-seater sofa, a comfortable leather chair, and a TV, making it a perfect space to relax and unwind.

The bathroom is designed in a practical wet-room style and includes a basin, shower, and cassette toilet.

At the bow of the boat is the bedroom, featuring a fixed double bed and built-in storage cupboards, offering a cosy and private retreat.

With its functional layout and classic charm, Gallifrey is well-suited for liveaboard life, weekend escapes, or extended cruising.

A great opportunity for someone looking to enjoy the waterways in a boat with character and potential. To arrange a viewing or for any further information, please contact Anderton Marina on 01606 79642.
