

Gentle Annie

Hilperton Marina

£36,000

A 42ft 1989 Colecraft 4 berth traditional stern narrowboat.

This well-presented narrowboat was built to a classic traditional design and has a warm and homely feel throughout. On entering the boat through the well organised engine room you take steps into the sleeping cabin. This has a double bed that makes up across the cabin and a full length storage cupboard.

To one side down the corridor is a beautifully fitted out bathroom. It has a ceramic cassette toilet, corner hand basin, shower cubicle and heated towel rail.

On the other side of the corridor is a side hatch.

Next you come to the well equipped kitchen. This has a free standing oven, grill and four burner gas hob. Below one of the windows is a stainless steel sink with draining board and a mixer tap. There is a good amount of surface space with an under the counter fridge and ample storage cupboards and drawers.

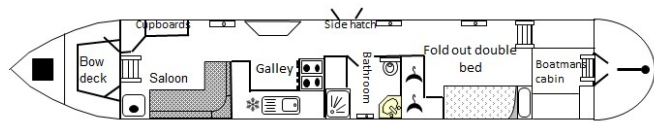

The front cabin has a L-shaped seating area that converts into a double bed, a multi fuel stove and built in storage side units with cupboard space.

Double doors lead you out onto the fully covered front deck with seating ether side and storage lockers below.

LED lighting throughout.

To arrange to view, please contact Hilperton Marina on 01225 765243.
