A 23ft Viking 4 berth GRP motor cruiser.

Enjoy long days and short breaks cruising the waterways on board this motor cruiser which can sleep up to 4 crew.

The Captain's seat is at the rear of the boat and also has seating behind to accommodate guests. There is a handy cratch cover fitted over this area which acts as protection from inclement weather.

Entering the smartly decorated main cabin, there is a WC on the left before coming to the living area. Here a smart dinette is on the left, opposite a galley area with a stainless steel sink and drainer, oven and fridge.

Finally there is another seating area within the bow of the boat which converts to a double berth.
