

Gubtubthree

Gayton Marina

£6,000.00

A 32ft 1979 Greighton 4 berth GRP motor cruiser.

Gubtubthree is a unique and distinctive GRP motor cruiser built in 1979 by Greighton.

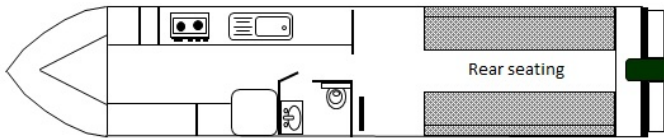

She immediately stands out thanks to her generous covered aft deck, where padded bench seating provides a wonderfully comfortable area for relaxing underway or moored. This seating can also be used as additional berths, and the clever design allows the side panels to be opened up so the whole space can be enjoyed in the sunshine and fresh air.

The cockpit carries traditional appeal with its classic captain's wheel, giving the helm a timeless, elegant feel. Moving inside, the boat benefits from an abundance of windows, creating a bright and airy atmosphere throughout. To port, there is a neatly presented WC compartment with a toilet and basin. Opposite, the starboard galley is smartly arranged and well equipped, featuring a two-ring hob, a separate oven and grill, and a sink. Both the hob and sink have fitted covers to provide additional worktop space when not in use.

At the bow, a further seating area offers a comfortable place to unwind and easily converts into a double berth for overnight stays.

The overall layout is highly practical for day cruising or extended weekends aboard, with a welcoming feel that makes good use of the boat's size and natural light.

This boat is an absolute must-see! To arrange or for further information, please contact Gayton Marina on 01604 858685.
