

Guildford Princess

Hilperton Marina

£36,000.00

A 52ft 1990 Alvechurch Boat Centres 4 berth cruiser stern narrowboat

Guildford Princess is a charming narrowboat with a smart navy exterior and a practical cruiser-style stern, offering a comfortable layout that makes excellent use of the onboard space. She holds a valid Boat Safety Scheme (BSS) certificate until 14/01/2028. The hull was last blacked at Hilperton Marina in April 2024, when six new anodes were also fitted. More recently, the engine was serviced by Dave Pavey in December 2024.

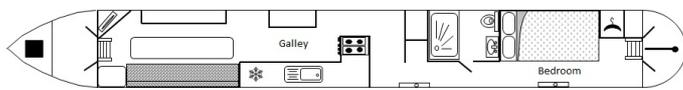

Entering from the cruiser stern, you descend the deck steps directly into the main bedroom. This cabin provides a comfortable and relaxing space, featuring a double berth and a cosy atmosphere that makes it an ideal retreat after a day on the water.

Moving forward, you come to the bathroom, which is well equipped for life afloat. It features a hip bath, toilet, and sink, along with useful storage space to keep toiletries and essentials neatly organised.

The next cabin is the galley, thoughtfully designed with a generous amount of worktop space finished in a pristine white colour, creating a bright and practical cooking area. It is fitted with a sink and cooker, while ample cupboards beneath the work surfaces provide plenty of storage for kitchen equipment and supplies.

At the bow of the boat is the saloon, a neatly presented living area that offers a welcoming space to relax, entertain, or simply enjoy the canal-side views. With its tidy presentation and comfortable layout, this area provides the perfect spot to unwind while aboard.

Overall, Guildford Princess is an inviting narrowboat with a practical interior layout and recent maintenance

Overall length	52 feet
