

## Halcyon II

Goytre Wharf

£6,000.00

A 25ft 1982 Dawncraft 4 berth GRP Motor Cruiser

Halcyon II is a well presented motor cruiser that is ready for short breaks and days out in the sunshine.

Stepping into the cockpit you have a cushioned seating bench for your crew to sit on. You have the captains chair and also the control panel to operate her.

Entering into the main cabin you have a door to your left which gives you access to a portable toilet.

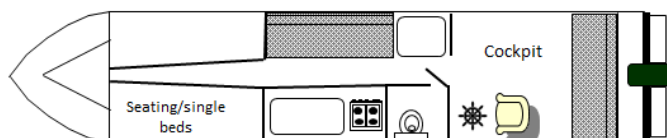

There is a comfortable sofa area to your right which can be converted into a small double bed.

Opposite you will find a galley area which has a gas stove, a small space to prep your groceries and some storage cupboards. There are also 2 shelves to store your cups.

At the bow of the boat you will find a V shaped seating area for hosting which converts into 2 single beds for the evening.

Halcyon II had a service with ABC Leisure Group in July 2022.
