## Half a Shilling

Worcester Marina

£51,000.00

A 60ft 1998-2004 owner built 4 berth semi-traditional stern narrowboat.

Half a Shilling is a lovingly hand-built 60ft semi-traditional stern narrowboat that radiates charm and comfort from bow to stern. Painted in a cheerful blue and red livery, it features both a pram hood cover at the stern and a cratch cover at the bow, offering protection and versatility in all seasons.

Step aboard via custom shallower steps at the stern—designed for easier access—and you'll find yourself in a spacious bedroom fitted with a cross double bed, a generous storage drawers, and even a washing machine tucked neatly into the layout. The bathroom follows, complete with a full-size bath and overhead shower, a wash basin, and a macerator toilet, offering comfort and convenience rarely found on the cut.

Midships, the Pullman-style dinette provides a stylish space to dine or relax, and easily converts into a double berth when needed. A side hatch here adds light and ventilation, perfect for sunny days moored by the towpath.

The galley is a cook's delight, featuring a freestanding cooker, fridge, microwave, and a unique circular double sink. With ample worktop space and clever cupboard storage, it's as practical as it is characterful.

At the bow, the saloon offers a cosy retreat with two easy chairs, a TV, and a multi fuel stove to keep things toasty on cooler evenings. Central heating runs throughout the boat, ensuring comfort year-round.

As a Broker, our understanding is that this vessel should have been built and correctly CE marked to satisfy the

requirements of the Recreational Craft Regulations but no such proof has been provided.

You should satisfy yourself of any subsequent implications and are advised to seek further advice should you see fit as there could be implications for the future saleability or value of the vessel.

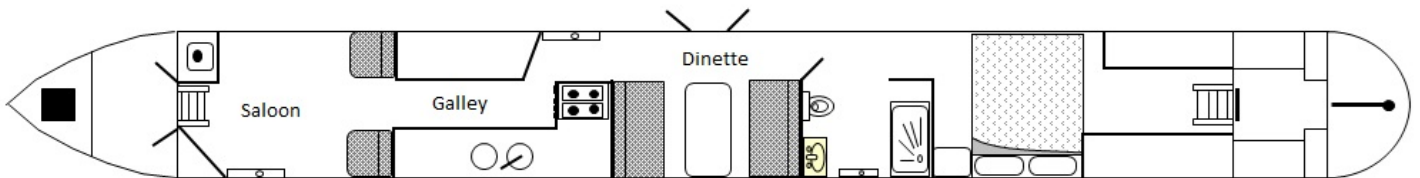

Half a Shilling isn't just a narrowboat—it's a testament to craftsmanship, care, and individuality. Whether you're looking for a live aboard or a weekend escape, this boat is ready to welcome its next chapter.
