Hunters Quay

Aldermaston Wharf £35,000

A 53ft 1982 Liverpool Boats 2 berth cruiser stern narrowboat.

Hunters Quay is a well presented narrowboat, with a spacious feel throughout which is enhanced by the fresh green and white tongue and groove panelling colour scheme inside. This boat would be perfect for couples, and also has the scope to add a sofa bed should extra berths be required. The exterior is painted in a navy and cream livery, and both the stern and bow decks are particularly spacious.

The stern leads via storage to the bedroom. This has a fixed double berth, and is followed by a dedicated dressing room with fitted wardrobes, shelving, a side table and a central heating radiator. A Houdini hatch also features here.

The bathroom follows and is very smart, with its walk-through design making maximum use of the space available. Its fitted with a shower, wash basin and toilet.

A classic galley space is well equipped with handsome wooden work surfaces, storage cupboards, oven, hob, sink, and an undercounter fridge.

The last cabin is the saloon. This currently holds a double sofa and second central heating radiator, however there is plenty of space for your choice of furniture. There is also a multi fuel stove adjacent to the bow doors.

This boat comes with a Boat Safety Certificate, valid until March 2027. Hunters Quay was also treated to a fresh blacking and fitted with 4 new anodes in 2024.
