Jacoby

Aldermaston Wharf

£24,950.00

A 34ft 1979 Gronhein 4 berth wide beam motor cruiser.

There's something rather special about this beautiful and much-loved motor cruiser being offered for sale at Aldermaston Wharf.

Originally built in 1979, Jacoby boasts an all-steel structure, inboard diesel engine, and the exterior underwent Hempadur and anti-foul treatment in 2021. There are 2 solar panels on the roof, and a current Boat Safety Certificate, valid until 2027.

Entering the boat from one of the side doors, you'll find a spacious saloon area with solid wooden flooring, a comfortable sofa that can convert to provide a double bed, a solid fuel stove, and the all-important 'skipper's wheel', offering the luxury of being able to cruise along without having to brave the weather outside!

To the front of the boat, steps lead into a useful galley area, fully equipped with oven, grill, hob, sink, fridge, and storage cupboards. Very handy for making drinks for the captain!

Through a doorway at the rear of the saloon are more steps leading into a cosy bedroom and adjacent wet-room. Here you'll find a fixed double berth and storage cupboard to the side.

We think Jacoby is a bit of a stunner. Available to view now at Aldermaston Wharf by telephoning them on 01189 714123.
