

Ja'Danik

Nantwich Canal Centre

£25,000.00

A 58ft 3ins 2002 Heron 2 berth cruiser stern narrowboat.

Ja'Danik is a project boat equipped with practical amenities, offering the foundation for a welcoming and loving home on the waterways.

Entering from the stern of the boat, you step down into the saloon area, which features a stove and an open-plan layout ready for a new owner to make their own. Currently furnished with just two wooden chairs, the space is largely empty and provides a blank canvas with plenty of potential to create a comfortable living and dining area tailored to your own style and needs.

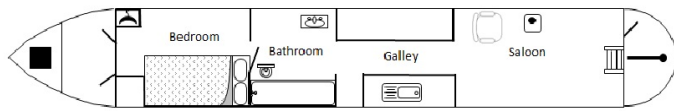

Moving forward through the boat, you enter the galley, which is fitted with a sink, plentiful cupboard storage, and two generously sized windows that allow plenty of natural light to fill the space. The practical layout makes it well suited for everyday use whilst maintaining a bright and airy feel.

The bathroom is equipped with a full-sized bath with a shower overhead, along with a toilet, a washbasin, a mirror and cupboard providing all the essential onboard facilities and a good level of comfort for extended stays.

At the bow of the boat, the bedroom offers a comfortable and private space, complete with a double bed, wardrobe, and additional storage cupboard, making it ideal for both leisure cruising and residential use.

There is also a valid Boat Safety certificate valid until 2nd May 2030.

As a Broker, our understanding is that this vessel should have been built and correctly CE marked to satisfy the requirements of the Recreational Craft Regulations but no such proof has been provided.

Overall length	58 feet 3 inches
Beam	6 feet 10 inches
