Jenny

Fenny Marina

£55,000.00

A 62ft 2009 Steve Heywood & David Lunn 4 berth semi-traditional stern narrowboat.

Jenny is a beautifully presented 62ft semi-traditional stern narrowboat with a reverse layout, built in 2009 and finished in an attractive navy blue livery. Fresh from being blacked in February 2026, she is offered in excellent condition and ready for her next adventure on the waterways.

Stepping aboard at the stern, you enter a bright and sociable open-plan living space. The warm wood interior creates an inviting atmosphere throughout. The galley is well equipped with a gas cooker, washing machine, fridge and a stainless-steel sink with drainer, along with generous worktop areas and plenty of cupboard storage. This flows seamlessly into the dinette, arranged in the comfortable Pullman style and convertible into an additional double berth when needed.

The saloon offers a cosy retreat with a sofa, storage unit and a Morso Squirrel multifuel stove, making the space ideal for year-round cruising or living aboard. Moving forward, the walk-through bathroom features a stylish black tiled floor and is fitted with a wash basin, cassette toilet and a corner glass-screened shower.

At the front of the boat, the bedroom includes a full-sized pull-out bed, wardrobe storage and overhead cupboards, providing both comfort and practicality. From here, steps lead out onto the bow deck, where built-in seating creates a lovely spot to sit and enjoy the view.

Jenny has a Boat Safety Certificate, valid until April 2030

Jenny is a charming, well-maintained boat with a thoughtful layout and all the essentials needed for comfortable cruising or extended stays afloat. To arrange a viewing, or for further information, please contact Fenny Marina on 01527 876438.
