Alvechurch Marina £8,000

A 70ft 1974 Malcolm Braine commercial passenger trip narrowboat.

Built in the 1970's by the respected boat builder Malcolm Braine, this passenger trip narrowboat has given decades of faithful service and is now in need of some TLC to be ready to welcome customers aboard again. She has already been treated to a fresh hull blacking and new anodes in January 2026.

The majority of the vessel is given over to a large open-plan cabin with wrap-around sofa seating to both sides, with warm air blow heating underneath. It can be arranged for relaxed sightseeing trips, private gatherings, educational sessions, or creative events. The open plan feel allows you to transform the space as needed, making it suitable for both casual and formal settings.

For added convenience, the boat is also equipped with a WC onboard, ensuring comfort for guests throughout the duration of any trip or activity. This feature makes the vessel more accommodating for longer outings or events where guest facilities are essential.

With its adaptable interior and essential amenities, this trip boat presents a flexible opportunity for anyone looking to develop a new idea or service on the waterways. Whether used as a floating venue, a community workshop space, or a unique event setting, it offers plenty of potential for the right buyer.

To make an enquiry or arrange to view, please contact Alvechurch Marina on 0121 445 1133.
