Blackwater Meadow Marina

£49,995.00

A 55ft 1996 Liverpool Boat Co. 2 berth cruiser stern narrowboat.

An opportunity to purchase a well-appointed and equipped narrowboat, currently a spacious home for 2 but with plenty of room to add a dinette or sofa bed to make her a 4 berth.

Julip has had a good amount of TLC lavished on her, including being grit blasted, blacked and fitted with 6 new anodes in December 2023. She had a new bathroom fitted in 2024 and is the proud possessor of a Boat Safety Certificate, valid until 2029.

Externally, the boat features a pram hood and cratch cover, together with 3 solar panels mounted on the roof.

Entering the living accommodation, the stern steps lead into a bedroom with wardrobe space at either end and a double cross-bed. This is followed by a lovely walk-through bathroom with large shower cubicle, vanity unit, cupboard with shelving, and an eco-friendly composting toilet. Instead of tiles, the whole room is lined with easy-to-clean panelling from floor to ceiling.

Moving forward, there is a classic galley with worktops to either side, fridge, cooker, sink and drainer and washing machine. There is also a side hatch here for extra ventilation whilst cooking.

The last cabin is a large saloon space, currently containing a dining table and chairs, a wall-mounted tv, a shelving unit and a solid fuel stove in its smart red-tiled surround. This is in addition to central heating radiators which feature throughout the boat. Steps lead up to the bow which has bench seats to either side.
