

Kate

Gayton Marina

£46,000.00

A 62ft 1990 Les Allen & Sons 3 berth traditional stern narrowboat.

Meet Kate, a beautifully crafted 62ft traditional stern narrowboat built in 1990 by the highly regarded Les Allen & Sons. With her warm wooden interior and classic lines, Kate has a timeless charm and a layout that offers both comfort and practicality—perfect for life afloat, weekend getaways, or long-term cruising.

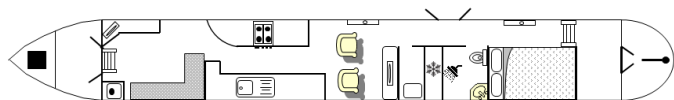

Entering from the stern, you'll find an engine room that also serves as a handy storage space. Moving forward, the boat opens into a peaceful bedroom with a fixed double bed, ideal for a restful night on the water.

The bathroom follows, equipped with a shower, basin, and toilet, offering all the essential facilities in a compact, well-designed space. Just beyond is a small but useful utility room, fitted with a washing machine—making extended stays on board all the more convenient.

The central saloon area provides a cosy retreat, featuring two comfortable swivel easy chairs and a TV, perfect for relaxing with a book or film.

Kate's galley is well laid out, with a sink and drainer unit, Shoreline fridge and freezer, a diesel range cooker, ample worktop space, and plenty of undercounter storage. It's a practical and welcoming area for preparing meals while enjoying life afloat.

The dinette is situated at the front of the boat and offers an inviting space with an L-shaped sofa, a second 12v TV, and a diesel stove for warmth and atmosphere. At the bow, you step out onto a cratch covered deck with built-in bench seating on either side—a lovely spot for morning coffee or evening drinks, surrounded by nature.

Overall length	62 feet
Beam	6 feet 10 inches
