

Kip Willow

Gayton Marina £75,000

A 60ft 2017 Aintree Boats 4 berth cruiser stern narrowboat.

Completed in 2022, this narrowboat has more than a touch of style. The exterior livery was renewed late 2023 in a smart navy, grey and white colour scheme, and the boat was blacked and awarded a new Boat Safety Certificate in 2024.

The luxurious feel throughout is added to by an extremely generous 79 inch head room height. Kip Willow has never been lived on and only used for occasional day trips, a fact which is reflected in the relatively low engine hours.

Steps lead from the stern doors to an area with a small room to port which could be used as a second wc, utility room or extra wardrobe.

Moving forward through a door is a versatile bedroom with bedding that can be configured to provide either 2 single beds, a lengthways double or a King-sized crossways bed. A central heating radiator also features here.

The bathroom is equipped with cassette toilet, washbasin, heated towel rail and shower cubicle.

Next is the galley which has stunning Quartz work surfaces and a built-in hob, oven and sink. A fridge is situated underneath and plenty of storage cupboards above and below.

The saloon area is roomy and holds a double sofa-bed, 2 radiators, corner cupboard and solid fuel stove. Steps lead up to double doors and the bow deck.

So much thought has gone into the design and functionality, a very tranquil place to spend your time. An ideal live-aboard or luxury weekender.

With her handsome solid oak floor and central heating throughout, viewing of Kip Willow is highly recommended.

To make an enquiry, please contact Gayton Marina on 01604 858685.

Additional information

Shore Cable, Deck Gear, Spray foam insulation, bow thruster.
