

Lilibet

Nantwich Canal Centre

£16,000.00

A 23ft 1990 Springer Engineering 2 berth cruiser stern narrowboat.

Lilibet is a small but perfectly formed narrowboat, perfect for exploring the canal network!

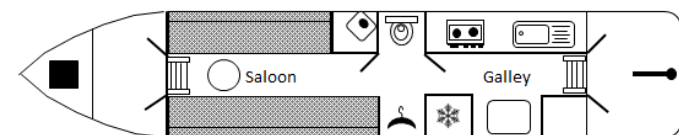

Entering from the stern there is a galley and dining area. This area is really cleverly designed and comes with a sink, gas cooker with 2 burner hob and a mint fridge tucked away under one of the seats.

A WC cupboard follows. Inside there is a mirror and cassette toilet. A storage cupboard is immediately opposite.

The last area is the saloon. Bench style seating converts into a double berth. There is also a removeable table, TV and a Boatman solid fuel stove. A single step leads out onto the bow deck.

Viewing of this marvellous little boat comes highly recommended! To arrange or for any further information, please contact Nantwich Canal Centre on 01270 625122.
